(VIDYA VIKASINI JUNIOR COLLEGE)

Vidya Vikasini is a Christian minority institution run by the Franciscan Brothers providing quality education in a professional set up for over thirty years. Vidya Vikasini Junior College has come a long way from a few students to now with a strength of over six hundred students both in the science and commerce faculty.

The college is privileged to have a well dedicated staff of fully qualified, trained and experienced teachers providing quality education and guidance preparing students for their std. XII Board Exams. A consistent good result for the last five consecutive years at the H.S.C Board Exams speaks for itself.

Besides education we also give equal importance to character formation and personality development. A strict code of discipline positively influences the formation of the students character and helps develop personality. Our large playground combined with the assistance of our P.T master and coaches gives students ample opportunities to pursue and develop their interest in sports and physical education. An annual three day sports festival is a special attraction among students. It is a time where every students is encouraged to participate in at least one sports event. Round the year cultural programs and competitions give students an exposure to develop their talents and public speaking skills.

At Vidya Vikasini College we offer a broad spectrum of subjects for students to choose from, depending upon their interest and the careers they wish to pursue.

Vidya Vikasini Junior College offers parents and students the facility of a counselor. In a world of wide career options, complex social structures, strong peer influence and stress in families, counseling is of immense help to both students and parents. Those in need of help can freely approach the counselor to seek help and advice to sort out their problems.

A large library with a wide collection of books caters to the intellectual needs of students, encouraging and developing the love for and inculcating the habit of reading from the very beginning stages of higher education.

A large fleet of buses make travelling convenient for our students from every corner of Vasai to college, saving a lot of precious time which students so desperately need for their studies.

Our well equipped labs for physics, chemistry, and Biology and information technology give students ample space and time to learn and perform their practicals under the able guidance of well trained and experienced teachers and Lab assistants.

The management of Vldya Vikasini Junior College has made every effort and provided every facility to students on the campus not only for education, but also for the overall development of the human personality i.e intellectual, physical, cultural and character. This is what our Ex-students cherish and remember us for, all their lives. It will always be our endeavor to keep up to these standards we have always cherished for the benefit of our students and society at large.

We welcome all those who would like to take admission in this prestigious institution and be a part of the Vidya Vikasini family.
